Description: Endorsed by Dr. Charles Stanley and written by CERTIFIED FINANCIAL PLANNER™ practitioner Walter Woodrick, *Finances, Family... and Faith* will teach you how to get out of debt, save for retirement, and plan your estate while providing you with real life insight into situations like family alcohol abuse, divorce, and blurred images of faith and God.

You will benefit from the perspective gained from having all three topics of money, family, and God presented and discussed in a single book for one low price. The final chapter helps you put the knowledge you gain into the right order of priorities to help you live a more fulfilling life.

Endorsement: “After reading this book you will be equipped with the information you need to have a clearer perspective on how to deal with your finances, your family and your faith. This book is full of practical insights that will deepen your walk of faith or begin your journey in the right direction. Walter Woodrick does not compromise when it comes to faith in Christ being your first priority. His book will help you understand where you are financially, and then help you put your priorities in order.
